

FY20 Funding

- NEP
- SNEP

NEP—Work Plan Revisions

1. Added new language throughout to explain that this work plan is an incremental amendment to a 5-year multi-year agreement issued in FY19.
2. Add new NEIW PCC description.
3. Add footnote to clarify version of Guiding Principles noted in plan.
4. Include completed tasks with a note they are finished.
5. Note that work on the next full status and trends report will begin under this agreement.

NEP—Work Plan Revisions

6. Note that capacity, research, and planning subawards will be completed by the end of FY2023.
7. Clarify that technical assistance will be provided up to 10 restoration/protection projects each year.
8. Clarify that an RFP or equivalent process that complies with federal requirements will be used to award funds.
9. Note that management FY19 SNEP projects will be done by the end of FY2022.
10. Added back in the Blackstone project to include note that this light lunch will be provided.

NEP—Budget Revisions

- Shift some contract dollars to ensure adequate funds for environmental justice training
- Shift a small amount of funds from subawards to cover light lunch for Blackstone Needs Assessment meetings

SNEP—Work Plan Revisions

1. Add new language throughout to explain that this work plan is the first work plan for a new 5-year agreement for SNEP funds.
2. Add new NEIWPC description.
3. Provide new text that more clearly describes plans for the 5-year agreement and FY20.
4. Clarify that 15 subawards expected over term of agreement, and 5 subawards in FY20

SNEP—Budget Revisions
